**CONSOLIDATED LIST OF CREDITORS**  
**HOLDING THE 50 LARGEST UNSECURED CLAIMS**

Set forth below is the list of creditors that hold, based upon information presently available and belief, the fifty largest unsecured claims against DACCO Transmission Parts (NY), Inc. and its affiliated debtors and debtors in possession (collectively, the “**Debtors**”). This list has been prepared based upon the books and records of the Debtors. The Top 50 List was prepared in accordance with Rule 1007(d) of the Federal Rules of Bankruptcy Procedure for filing in the Debtors’ chapter 11 cases. The Top 50 List does not include: (1) persons who come within the definition of an “insider” as set forth in 11 U.S.C. § 101(31); or (2) secured creditors, unless the value of the collateral is such that the unsecured deficiency places the creditor among the holders of the fifty (50) largest unsecured claims. The information presented in the Top 50 List shall not constitute an admission by, nor is it binding on, the Debtors. The information presented herein, including, without limitation: (a) the failure of the Debtors to list any claim as contingent, unliquidated, disputed or subject to a setoff; or (b) the listing of any claim as unsecured, does not constitute an admission by the Debtors that the secured lenders listed hold any deficiency claims, nor does it constitute a waiver of the Debtors’ rights to contest the validity, priority, nature, characterization, and/or amount of any claim.
